Our **Mission**

Inspiring and equipping this generation to do justly, love mercy, and walk humbly with God in partnership with the local church

Woodlands Overview

- Woodlands Camp was founded in 1997 in Cleveland, GA
- Over the last 25+ years, Woodlands has grown from 150 to 10,000 campers per summer
- As a result of God's faithfulness, we've seen over 5,500 campers place their trust in Jesus for the first time at camp
- Highly sought after program by churches and campers alike
- Our day camp program allows us to take all that we've learned in 25+ years of camp ministry and share it with you and your community

What makes Woodlands **different?**

1. **Excellence**
2. **Affordability**
3. **Emphasis on Jesus**

Volunteer Opportunities:

Host Homes: Our team needs a place to stay. Host families open up their homes for the week and provide beds, fellowship, and some meals.

Medical Professional: We require a medical professional on-site for safety reasons in case of medical needs. Preferably, this is a nurse, but can also be an EMT or another trained professional.

Monday Check-In Assistants: Help campers check in as they arrive at camp for the first time.

Other: We could always use help cleaning up, providing extra snacks for staff, or just being available. Let us know if you have extra volunteers who are eager to serve.

All About Host Homes

Synergy Sites are responsible for housing our team of about 20 staff. Most often, this looks like securing host homes.

- Staff will leave each morning between 5:45am-6:30am depending on distance to the site
- Staff will return by 6:30pm
